## **Independent Auditor's Report to the Shareholders and the Supervisory Board of Bioton S.A.**

### **Report on the Audit of the Year-end Consolidated Financial Statements**

#### **Opinion**

We have audited the year-end consolidated financial statements of the group, where the parent company is Bioton S.A. ("the Parent Company") ("the Group"), comprising the consolidated profit and loss, the consolidated statement of comprehensive income, the consolidated statement of financial position as at 31 December 2021, the consolidated statement of cash flows, the consolidated statement of changes in equity for the period from 1 January 2021 to 31 December 2021, as well as notes to the consolidated financial statements including a description of significant accounting policies and other explanations ("the consolidated financial statements").

In our opinion, the accompanying consolidated financial statements:

- give a true and fair view of the Group's financial position as at 31 December 2021, as well as of its consolidated financial result and consolidated cash flows for the financial year then ended, in accordance with the applicable International Financial Reporting Standards as adopted by the European Union, as well as the adopted accounting methods (policies);
- are consistent, in content and in form, with the applicable laws and regulations and with the Parent Company's Statute.

The present opinion is consistent with the additional report to the Audit Committee, which we issued on 31 March 2022.

#### **Basis for Opinion**

We conducted our audit in accordance with National Standards on Auditing in the wording of International Standards on Auditing adopted by resolution of the National Council of Certified Auditors ("NSA"), and in compliance with the Act of 11 May 2017 on Certified Auditors, Audit Firms and on Public Oversight ("the

BDO spółka z ograniczoną odpowiedzialnością spółka komandytowa [limited partnership], District Court for the capital city of Warsaw, XIII Business Division, KRS: 0000729684, REGON: 141222257, NIP: 108-000-42-12. The value of the capital contribution is PLN 10,037,500. Regional offices in Poland: Katowice 40-007, ul. Uniwersytecka 13, tel.: +48 32 661 06 00, [katowice@bdo.pl](mailto:katowice@bdo.pl); Kraków 31-548, al. Pokoju 1, tel.: +48 12 378 69 00, [krakow@bdo.pl](mailto:krakow@bdo.pl); Poznań 60-650, ul. BDO spółka z ograniczoną odpowiedzialnością spółka komandytowa is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the worldwide network of independent legal entities, each of which provides professional services under the name "BDO".

Certified Auditors Act” - 2020 Journal of Laws, item 1415) and Regulation (EU) No. 537/2014 of 16 April 2014 on specific requirements regarding statutory audit of public interest entities (“Regulation EU” - OJ L 158). Our responsibilities under those standards are further described in the *Responsibilities of the Auditor for the Audit of the Consolidated Financial Statements* section of this report.

We are independent of the Group’s companies in accordance with the International Code of Ethics for Professional Accountants (including International Standards of Independence) of the International Ethics Standards Board for Accountants (“IESBA Code”) adopted by resolution of the National Council of Certified Auditors, as well as with other ethical requirements relevant to the audit of financial statements in Poland. We have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. During the audit, the auditor in charge and the audit firm remained independent of the Company in accordance with the independence requirements laid down in the Certified Auditors Act and Regulation EU.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of the most significance in the audit of the consolidated financial statements for the current reporting period. They include the most significant assessed types of risks of material misstatements, including assessed types of risks of material misstatements resulting from fraud. We addressed these matters in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and have summarized our response to these types of risks, and where relevant, presented our key observations relating to those risks. We do not express a separate opinion on these matters.

---

#### **1 Valuation of Intangibles and Tangible fixed assets**

---

In the consolidated financial statements as at 31 December 2021, the Group recognizes intangible assets and property, plant and equipment in the amount of 362 338k PLN and PLN 286 551k PLN, respectively. We have classified the valuation of these assets as a key audit matter due to the fact that these assets are subject to the impairment test that involves significant judgement in relation to future markets developments and revenue, capital expenditures, working capital level, profitability and the discount rate. The Company uses discounted cash flows model to determine whether the value in use of these assets is not lower than their cost less amortization or depreciation less previously recognized impairment.

---

#### **Disclosures in the financial statements**

---

The accounting principles related to Intangibles and Tangible fixed assets are described in note 1.5. of the additional notes and explanations. The methods and key assumptions used to prepare the impairment test are described in note 38 of the additional notes and explanations.

---

#### **Audit procedures performed in response to the risk**

---

In particular, we performed the following audit procedures:

- assessment of the methodology used to prepare the impairment test, including the methodology to establish the discount rate, including the discussion of the status of key development projects with the selected employees of the Company and the Management
-

- 
- assessment of the reasonableness of key assumptions adopted by comparing them to historical and forecast data;
  - comparison of key assumptions and impairment test results with the test conducted as at the end of 1H 2021;
  - reviewing sensitivity analysis prepared by the Management
  - verification of the correctness of the calculation formulas of selected elements of impairment test calculations;
  - reconciliation of the selected input data used in the calculations to underlying supporting documentation related to among others to Company's sales forecasts and costs projections;
  - discussion of the key assumptions and their rationales and reasonableness with the Management
  - reviewing relevant disclosures in the consolidated financial statements.
- 

### **Responsibilities of the Parent Company's Management and Supervisory Board for the Consolidated Financial Statements**

The Parent Company's Management is responsible for the preparation of the consolidated financial statements that give a true and fair view of the Group's financial position and financial result in accordance with International Financial Reporting Standards as adopted by the European Union, the adopted accounting methods (policies), the applicable binding regulations and the Statute. The Parent Company's Management is also responsible for such internal controls as it considers necessary to ensure that the consolidated financial statements are free from material misstatements resulting from fraud or error.

In preparing the consolidated financial statements the Parent Company's Management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, any matters related to going concern and using the going concern basis of accounting, except in situations where the Management intends to either liquidate the Group or discontinue its operations, or has no realistic alternative but to do so.

The Parent Company's Management and members of the Parent Company's Supervisory Board are required to ensure that the consolidated financial statements meet the requirements of the Accounting Act of 29 September 1994 ("the Accounting Act" - 2021 Journal of Laws, item 217 with subsequent amendments). Members of the Parent Company's Supervisory Board are responsible for overseeing the financial reporting process.

## Responsibilities of the Auditor for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatements due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with NSA will always detect an existing material misstatement. Misstatements can arise from fraud or error and are considered material if it could be reasonably expected that they, individually or in the aggregate, could influence the economic decisions of users made on the basis of these consolidated financial statements.

The concept of materiality is applied by the auditor at the planning stage and when performing the audit and evaluating the effect of identified misstatements on the audit and of uncorrected misstatements, if any, on the financial statements, as well as when formulating the auditor's opinion. In view of the above, all of the opinions and statements contained in the auditor's report are expressed subject to the qualitative and quantitative level of materiality set in accordance with the applicable standards on auditing and the auditor's professional judgement.

The scope of the audit does not include an assurance regarding the Group's future profitability, or regarding the effectiveness of the Parent Company's Management in the handling of the Group's affairs now or in the future.

Throughout an audit in accordance with NSA, we exercise professional judgement and maintain professional skepticism, as well as:

- identify and assess the risks of a material misstatement of the consolidated financial statements resulting from fraud or error, design and perform audit procedures in response to such risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting a material misstatement resulting from error, because fraud may involve collusion, forgery, deliberate omission, misrepresentation or override of internal controls;
- obtain an understanding of the internal controls relevant to the audit in order to plan our audit procedures, but not to express an opinion on the effectiveness of the Group's internal controls;
- evaluate the appropriateness of the accounting policies used and the reasonableness of the estimates and related disclosures made by the Parent Company's Management;
- conclude on the appropriateness of the Parent Company Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- evaluate the overall presentation, structure and contents of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group in order to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group's audit and remain solely responsible for our audit opinion.

We provide the Parent Company's Supervisory Board with information about, among others, the planned scope and timing of the audit and significant audit findings, including any significant weaknesses of internal controls that we identify during our audit.

We provide the Parent Company's Supervisory Board with a statement that we have complied with the relevant ethical requirements relating to independence, and that we will communicate to them all relationships and other matters that may reasonably be considered to constitute a threat to our independence, and where applicable, inform them of the related safety measures.

From the matters communicated to the Parent Company's Supervisory Board we determined those matters that were of the most significance to the audit of the consolidated financial statements for the current reporting period and were therefore chosen as key audit matters. We describe these matters in our auditor's report, unless law or regulations prohibit their public disclosure or when, in exceptional cases, we find that a given matter should not be presented in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such information.

### **Other Information, Including Report on Activities**

Other information comprises the report on the Group's activities for the financial year ended 31 December 2021 ("the Report on Activities") along with the Statement on the Application of Corporate Governance referred to in Article 49b par. 1 of the Accounting Act, which constitutes a separate section of the report, as well as the "Annual Report" for the financial year ended 31 December 2021 ("Annual Report") (together "Other Information").

### **Responsibilities of the Parent Company's Management and Supervisory Board**

The Parent Company's Management is responsible for the preparation of Other Information in accordance with binding regulations.

The Parent Company's Management and members of its Supervisory Board are required to ensure that the Report on Activities along with its separate section meets the requirements of the Accounting Act.

### **Responsibilities of the Auditor**

Our opinion on the consolidated financial statements does not cover Other Information. In connection with our audit of the consolidated financial statements, our responsibility is to read Other Information and, in doing so, consider whether it is materially inconsistent with the consolidated financial statements or with our knowledge obtained during the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we find a material misstatement of Other Information, we are required to state this fact in our auditor's report. In accordance with the requirements of the Certified

Auditors Act, it is also our responsibility to issue an opinion whether the Report on Activities has been prepared in accordance with binding regulations, and whether it is consistent with the information presented in the consolidated financial statements. We are also required to issue an opinion whether the Statement on the Application of Corporate Governance contains the required information.

We received the Report on Activities prior to the issue of the present auditor's report, whereas the Annual Report will be available after this date. In the event that we find a material misstatement in the Annual Report, we are required to communicate this to the Parent Company's Supervisory Board.

### **Opinion on the Report on Activities**

Based on the work we have performed during the audit, in our opinion the Report on Activities:

- has been prepared in accordance with Article 49 of the Accounting Act and par. 71 of the Minister's of Finance Decree of 29 March 2018 on the current and periodic information reported by the issuers of securities and on the conditions for recognizing as equally valid the information required by the regulations of a state that is not a member state (the "Current Information Decree" - Journal of Laws, item 757 with subsequent amendments);
- is consistent with the information presented in the consolidated financial statements.

Furthermore, based on our knowledge obtained during the audit about the Group and its environment we have identified no material misstatements in the Report on Activities.

### **Opinion on the Statement on the Application of Corporate Governance**

In our opinion, the Group's Statement on the Application of Corporate Governance contains the information specified in paragraph 70 section 6 point 5 of the Current Information Decree. In addition, in our opinion, the information indicated in paragraph 70 section 6 point 5 letters c-f, h and i of the Decree contained in the Statement on the Application of Corporate Governance is consistent with the applicable regulations and with the information contained in the consolidated financial statements.

### **Report on Other Legal and Regulatory Requirements**

#### **Opinion on the consistency of the consolidated financial statements prepared in a standard electronic reporting format with the requirements of the regulation on technical standards on the specification of a single electronic reporting format**

In connection with our audit of the consolidated financial statements we were engaged to perform a reasonable assurance engagement to express an opinion on whether the consolidated financial statements of the Group prepared for the financial year ended 31 December 2021 in a standard electronic reporting format and contained in the file entitled 259400I5R1L3OPCGII81-2021-12-31.zip ("consolidated financial statements in the ESEF format") have been marked up in accordance with the requirements specified in the Commission Delegated Regulation (EU) 2018/815 of 17 December 2018 supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a single electronic reporting format and other Commission delegated regulations (EU) on updating the taxonomy to be used for the purposes of the standard electronic

reporting format, together referred to as the “ESEF Regulation” and meet the technical requirements on the specification of a single electronic reporting format set out in those regulations.

#### *Identification of the Applicable Criteria and Subject Matter*

The consolidated financial statements in the ESEF format have been prepared by the Company’s Management in order to meet the markup requirements and the technical requirements on the specification of a single electronic reporting format set out in the ESEF Regulation.

The subject matter of the assurance engagement is the consistency of the consolidated financial statements in the ESEF format with the requirements of the ESEF Regulation and, in our view, the requirements set out in those regulations constitute appropriate criteria for our opinion.

#### *Responsibilities of the Company’s Management and Supervisory Board*

The Management is responsible for the preparation of the consolidated financial statements in the ESEF format in accordance with the markup requirements and technical requirements on the specification of a single electronic reporting format set out in the ESEF Regulation. This responsibility includes the selection and application of appropriate XBRL markups, using the taxonomy referred to in the regulations.

The Management is also responsible for designing, implementing and maintaining an internal control system to ensure that the consolidated financial statements prepared in the ESEF format are free from material incompliance with the ESEF requirements.

Members of the Company’s Supervisory Board are responsible for overseeing the financial reporting process, which includes the preparation of financial statements in compliance with the format arising out of binding legal regulations.

#### *Responsibilities of the Auditor*

Our objective was to express an opinion, based on the reasonable assurance engagement, on whether the consolidated financial statements in the ESEF format have been marked up in accordance with the requirements of the ESEF Regulation and are consistent with the technical standards on the specification of a single electronic reporting format set out in those regulations.

We performed the engagement in accordance with National Standard on Assurance Engagements 3001PL “Audit of financial statements prepared un the single electronic reporting format” (further: “NSAE 3001PL) and, where applicable, in accordance with National Standard on Assurance Engagements Other than Audits and Reviews 3000 (Amended) in the wording of International Standard on Assurance Engagements 3000 (Revised) - “Assurance Engagements Other than Audits or Reviews of Historical Financial Information” (hereinafter: “NSAE 3000 (A)”).

The standard requires us to plan and perform our procedures to obtain reasonable assurance that the consolidated financial statements in the ESEF format have been prepared in accordance with the applicable criteria.

Reasonable assurance is a high level of assurance, but it is not a guarantee that an engagement performed in accordance with NSAE 3000 (A) will always detect an existing material misstatement.

Procedures are selected based on the auditor’s judgement, including the auditor’s assessment of the risk of material misstatements resulting from fraud or error. In assessing such risk, the auditor considers the internal control relevant to the preparation of the consolidated financial statements in the ESEF format, in order to plan procedures that will allow the auditor to obtain sufficient and appropriate evidence. The internal control system is not assessed for the purpose of expressing an opinion on the effectiveness of its operation.

### *Summary of Work Performed*

Our planned and performed procedures included:

- obtaining an understanding of the process of preparing the consolidated financial statements in the ESEF format, including the Company's process of selecting and applying the XBRL markups and ensuring compliance with the ESEF Regulation, as well as an understanding of the internal control system relevant to that process;
- agreeing on a sample basis the marked up information contained in the consolidated financial statements in the ESEF format with the audited consolidated financial statements;
- with the use of specialized IT tools, assessing compliance with the technical standards on the specification of a single electronic reporting format, including the application of the XHTML format;
- assessing the completeness of marking up the information in the consolidated financial statements in the ESEF format with XBRL markups;
- evaluating whether the applied XBRL markups from the taxonomy specified in the ESEF Regulation have been applied correctly and whether taxonomy extensions have been created in situations when no suitable elements have been identified in the core taxonomy specified in the ESEF Regulation;
- evaluating the correctness of embedding the created taxonomy markups in the core taxonomy specified in the ESEF Regulation.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the assurance engagement.

### *Ethical Standards, Including Independence*

While performing the engagement the auditor and the audit firm complied with independence and other ethical standards set out in the IESBA Code. The IESBA Code is based on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional conduct. We have also complied with other independence and ethical requirements applicable to such assurance engagements in Poland.

### *Quality Control Standards*

The audit firm applies national quality control standards in the wording of the International Standard on Quality Control 1 - "Quality Control for Firms that Perform Audits and Reviews of Financial Statements and Other Assurance and Related Services Engagements" adopted by resolution of the National Council of Certified Auditors (hereinafter: "ISQC").

In accordance with the requirements of ISQC, the audit firm maintains a comprehensive system of quality control that includes documentation of the policies and procedures relevant to compliance with ethical requirements, professional standards and the applicable legal and regulatory requirements.

### *Opinion on the compliance with the requirements of the ESEF Regulation*

As the auditor's opinion has been formulated based on the matters described above, the opinion should be read in consideration of those matters.

In our opinion, the consolidated financial statements in the ESEF format have been prepared, in all material respects, in accordance with the requirements of the ESEF Regulation.

### **Declaration on the Provision of Non-audit Services**

To the best of our knowledge and belief we declare that any non-audit services we have provided to the Group were consistent with the law and the regulations binding in Poland and that we have not provided any non-audit services prohibited by virtue of Article 5 par. 1 of Regulation EU and Article 136 of the

Certified Auditors Act. The non-audit services we have provided to the Group in the audited period are listed in note 37 to the consolidated financial statements.

### **Appointment of the Auditor**

We were appointed as auditors of the Group's consolidated financial statements in a resolution passed by the Parent Company's Supervisory Board on 14 April 2020. We have audited the consolidated financial statements for the second time.

The auditor in charge of the audit resulting in this independent auditor's report is Adam Fornalik.
